VAIL '11

LODGING: MANOR VAIL LODGE is a full service ski lodge located across the street from the Golden Peak base lodge at the east end of Vail. The Manor Vail Lodge is about 50 yards/1 minute walk from the Riva Bahn Express lift (Chair 6) and less than 300 yards/7 minute walk from the Vista Bahn Express in Vail Village. An outdoor heated pool, hot tub, sauna & fully equipped fitness facility are on the premises. The front desk is 24 hour with bell and concierge services available. Within the lodge are a restaurant - The Lord Gore - and a lounge - Fitzwilliam's. Après ski munchies and beverages are available with special deals on drinks and appetizers. Laundry facilities available. The free Vail bus service picks up across from the lodge. See www.manorvail.com for a complete list of amenities. Hot buffet breakfast served daily and included with stay. Eat your heart out!

Lodging choices include double occupancy hotel rooms, studios, two bedroom, "two plus" bedroom or three bedroom condos. A luxury condo resort, Manor Vail Lodge has various bed/bath configurations and each unit is individually owned and decorated. Most full condo's have a mountainside balcony, fully equipped kitchen, microwave, DVD or VCR, wireless internet, coffee & coffee maker and fireplace.

These Manor Vail Lodge condo configurations have a sleeping area off the main living used as a bedroom by closing a large accordion door. The "2+" condos have 2 regular bedrooms plus the sleeping area/bedroom with the accordion door. Bedding in the "+" rooms range from twin to king Murphy beds, standard beds or sleeper sofas. Standard occupancy is 2 persons per bedroom (and 1 in the sleeping area for the '2+). **If you need a roommate - lodging choices are limited to those with available beds – most likely availability is in hotel and 2+BR/3BA. Rooms booked at higher than standard occupancy will discount each person's trip price. **You must make up your own groups for higher than standard occupancy.** Condo configurations are subject to availability -- units/types will only be assigned when ALL roommates have their deposit and application in. Preferences will be accommodated (if at all possible) in order of complete sign up.
